Subject: Letter of Recognition

Dear Mr. Poepoe,

I would like to express my sincere gratitude to Trace Industries Inc. for your company's outstanding work and service performed on Contract HSCG86-12-C-PHV008 in FY 2012 to Replace Tank 4 at U.S. Coast Guard Air Station Barbers Point, Kapolei, Hawaii.

The execution of this project was very critical and extremely well done in a compressed timeline. I would like to especially commend the services of Project Manager Shane Caberto, Project Quality Control Manager Herman Chong and Project Site Superintendent Clinton Kaawa. These (3) individuals worked closely with the USCG Team, provided great communication, tight coordination with subcontractors, flexibility with customers, anticipated and resolved various construction problems.

Your team met and exceeded numerous customer requirements in the contract scope of work. The dedication, professional integrity, detailed construction quality, and high standards of your team are extraordinary and worthy of recognition. I hope to see Trace Industries Inc. working on future Coast Guard projects with Civil Engineering Unit Honolulu.

Sincerely,

Edwin H. Hashisaka  
Construction Project Manager  
U.S. Coast Guard
